RESEARCH GRANTS & CONTRACTS

External Grants and Contracts

Sustainable Communities Regional Planning Grant Program. US Department of Housing and Urban Development

Project Title: “Mid-Michigan Regional Plan for Sustainable Development: Improvement and Implementation” (April 2012-March 2015).

Funding Amount: \$500,050 for MSU.

Researchers: Suk-Kyung Kim (Co-PI, 20%), Mary Beth Craebert (Co-PI, 20%), Paul Nieratko (Co-PI, 20%), Wayne Beyea (Co-PI, 20%), Rex L LaMore (Co-PI, 20%)

Role: PI for the Project 2. A Regional Affordable Housing Study (April 2012-June 2014).

Budget for the Project 2: \$115,391.

Energy Efficient Housing Research Partnerships Grant, National Renewable Energy Laboratory & US Department of Energy

Project Title: “Habitat Cost Effective Energy Retrofit Program for Mixed-Humid and Cold Climate Housing Stock” (March 2011-August 2012).

Researchers: Tim Mrozowski (PI, 50%), M.G. “Matt” Syal (Co-PI, 35%), Suk-Kyung Kim (Co-PI, 10%), Marcus Metoyer (5%). Funding Amount: \$318,894 for MSU.

Role: Co-PI for the Project 6.1 Market Characterization Project

Michigan Department of Natural Resources (DNR) and SPDC Sustainability Partnership.

Funding Amount: \$2,499 for the Entire Team in Spring 2012 and \$16,296 in Fall 2012

Project Team Members:

Role: PI for the subproject titled “A Universal and Green Design Proposal for MI Park Buildings: Accessibility, Energy-Efficiency, & Indoor Environmental Quality Assessment of MI Park Buildings” (January 2012-December 2012).

Internal Grants

The International Research Travel Grant, The Center for Advanced Study of International Development (CASID), Michigan State University.

Project Title: “Case Studies of Zero-Energy Homes and Environment-Friendly Neighborhoods in Korea” (March 2011). Role: Principal Investigator. March 2011. Amount: \$2,000.

Michigan Applied Public Policy Research Grant, Institute for Public Policy and Social Research, Michigan State University.

Project Title: "Economic Benefits and Environmental Sustainability from Low-Income Green Home Development in Michigan" (December 2010-August 2012).

Researchers: Eunsil Lee (PI, 65%), Suk-Kyung Kim (Co-PI, 30%), Thom Phillips (5%).

Funding Amount: \$25,000.

Course Development Grant for an Existing Course, The Center for Advanced Study of International Development (CASID), Michigan State University.

Project Title: "Zero-Energy Homes and Sustainable Housing Development in Asian Countries" (December 2009). Role: Principal Investigator (100%). Funding Amount: \$1,500.

Michigan Applied Public Policy Research Grant, Institute for Public Policy and Social Research, Michigan State University

Project Title: "New Urbanism in Michigan: Case Studies, Public Opinions, and Evidence-Based Policy Suggestions" (August 2008-May 2009).

Researchers: Suk-Kyung Kim (PI, 60%), Randy Bell (Co-PI, 20%), Jaechoon Lee (Co-PI, 20%).

Funding Amount: \$20,000.

Family Research Initiative Grant, Michigan State University Extension.

Project Title: "Safe Michigan Neighborhoods for Children: Evidence-Based Design of Safe Near Home Environments for Elementary Children's Playing Activities (June-August 2008).

Role: Principal Investigator (100%). \$7,555.

First Year Assistant Professor Research Award. Florida State University.

Project Title: "The New Urbanist Community and Residential Satisfaction: The Resident Assessment of Design and Planning Implications in New Urbanist Communities" (May – December 2007. Role: Principal Investigator (100%). Funding Amount: \$16,000.

OTHER FUNDED ACTIVITY

Development Opportunities of the Michigan and Grand River Avenue Corridors. President Simon at Michigan State University.

Participate in developing a proposal for requesting funding with multiple colleagues and proposing a future development plan for the target area with them.

January 2013-May 2013. Funding Amount: \$53,000

HONORS AND AWARDS

Best Paper Award, Journal of Korean Housing Association, Role: Co-Author,

First Author: Byungsook Choi, April 21, 2012. Paper Title: The effects of place attachment to childhood home to the housing satisfaction.

Early Career Housing Award Recipient, Housing Education and Research Association (HERA).

November 5, 2010. Portland, OR.

Paper Award, 2010 Housing Education and Research Association Conference, November 4, 2010.

Portland, OR. Paper Title: Residential technology for elderly Americans and Koreans aging at home.

Best Paper Award, Asian Journal of Architectural and Building Engineering, Role: Co-Author,

First Author: Young S. Lee, May 19, 2009. Paper Title: Indoor Environmental Quality in LEED-certified buildings in the U.S.
